

# **Xcel Energy Lighting Rebate Programs What's New**

**October 25, 2011**

1

**Currently Operating Under A One Year Plan  
“Extension” For 2011**

**2012/13 DSM Plan Filed on August 1, 2011**

2

## Programs - Lighting

- Most T-12 lamps will no longer be manufactured after July 2012. T-12 phase out promotion
- Through Dec. 31, 2011, 50% prescriptive bonus rebates for select T-12 retrofits (Max. rebate 75% of costs)
- Custom T-12 retrofits eligible for 50% bonus rebates up to \$600/KW (Max. rebate 75% of costs)
- Added select LED prescriptive rebates in 2011. Other LED projects still go through Custom
- Proposed in the 2012/13 DSM plan: CFL screw-in lamp rebates removed Jan. 2012. T-12 bonus rebates will decrease through 2012, and removed Jan. 2013

## Goals – Business Programs

- 2011 DSM Plan actual 162 GWh electric and 84,735 Dth gas
- 2012 DSM Plan as filed 199 GWh electric and 104,291 Dth gas
- 2013 DSM Plan as filed 214 GWh electric and 95,420 Dth gas
